SAGE International Study Tour Program 2023

Date	Country	Event	Details	Registration Information	
9 - 15 July		International Study Program - Sweden	<i>Focus: COVID response + Healthy ageing</i>	The Danish health care system is equitable & free for everyone, independent of health insurance, and has a tradition of a large public sector of high quality hospitals and clinics, relatively few private clinics. The Danish concept "hygge" encompasses a feeling of cozy contentment and well-being through the enjoyment of the simple things in life and is attributed to Danes' approach to ageing. Learn about this active ageing & Danes' strong sense of responsibility for their country including elders.	Registration opens Feb 2023 - Limited to 12 places only <u>EOI now open</u>
30 July - 5 Aug		International Study Tour Program - New Zealand	<i>Focus: Integrated Services for Retirement Living</i>	Retirement Living Professionals: Join your Village Management colleagues for this 6 day program to New Zealand. Registered retirement villages are required to comply with a legislated Code of Practice set out in the Retirement Villages Act 2003, which establishes the day-to-day management of the village and provides a comprehensive suite of resident protections. How has this worked so well for NZ operators. Hosted by industry experts Judy Martin and Jodie Prosser this program is timed to align with RVA NZ Conference in FIJI 7-9 August - the industry's shop window to the world. - hear about new trends, ideas, products and services available to the industry.	Registration opens Feb 2023 - Limited to 15 places only <u>EOI now open</u>
27 Aug - 9 Sept		International Study Tour Program - England	<i>Focus: Integrated Communities - Housing with care</i>	"Housing-with-Care- the success of Integrated communities" What are the defining features of an Integrated Retirement Community? Join Industry CEO's and Senior executives in this program to England to answer. This program has been timed to include your attendance at the international Global Ageing Network conference in Scotland	Registration opens Feb 2023 - Limited to 12 places only <u>EOI now open</u>
4 - 16 Sept		International Study Tour Program - Ireland	<i>Focus: Homecare and Quality</i>	Ireland's approach to care is based on providing a fully managed, relationship and outcome-based, care service where Quality is key- How is Ireland leading the industry in ensuring quality is delivered and benchmarked? This program has been timed to include your attendance at the international Global Ageing Network conference in Scotland	Registration opens Feb 2023 - Limited to 12 places only <u>EOI now open</u>
24 - 30 Sept		International Study Tour Program - France	<i>Focus: Hospital in home - including assisted living options</i>	Aged care executives: join your Industry Colleagues for this 7-day Study tour program to France focusing on France's leading Global initiatives around Hospital at home and Care in the home, alternatives to Long term Care facilities	Registration opens Feb 2023 - Limited to 12 places only <u>EOI now open</u>
12 - 18 Nov		International Study Tour Program - South Korea	<i>Focus: Design for the future</i>	This program is focussed to professionals involved in property design and models for the future. It is an Architectural focussed Study tour program. Delegates will explore South Korean national plans for active ageing, their methods of monitoring progress, top Government initiatives to face the ageing explosion.	Registration opens Feb 2023 - Limited to 15 places only <u>EOI now open</u>
