ABOUT

CARLA BEHERAM

Carla Beheram is the Practice Lead in Operations and Assurance Advisory, bringing a wealth of experience from senior management roles within the Aged Care sector. Known for her strategic acumen, Carla excels in identifying opportunities and transforming strategic initiatives into actionable results that drive client success.

With a strong ethical foundation, Carla is committed to managing stakeholder relationships with integrity and respect. Her diverse qualifications in Nursing, Management, and Business provide her with a comprehensive understanding of the complexities of Aged Care Management.

As an industry leader in delivering bespoke aged care management consulting services, Carla oversees administrative and advisory functions while spearheading innovation and transformation initiatives. She is also dedicated to executive coaching and frequently engages in speaking events, sharing her insights on best practices in aged care management.

Carla holds a Master of Business Administration, a Diploma in Project Management from TAFE NSW, and a Bachelor of Nursing from Australian Catholic University. Her professional affiliations include participation in the ACRON Mentoring Program for Aged Care Leaders and serving on the LASA NSW & ACT Congress Planning Committee from 2014 to 2016.

Through her leadership and commitment to excellence, Carla ensures that her team offers tailored solutions that address the unique needs of each client, ultimately enhancing their operational capabilities.
